

Deer Park Summer Course 2007 Housing Options Course Dates: June 18th thru July 13th, 2006

The information below is subject to change. Please verify rates, etc., with any of the places you contact. Please let us know if the rates you are quoted are significantly higher than stated here.

Note that locations in Madison are about 10 miles from Deer Park. Carpooling is arranged for those without a car.

Some Important Changes: Since the Princeton House is no longer available and no other facility has rates so reasonable, we have a volunteer who will help to match roommates to share rooms and apartments for those who would like to do that to reduce costs. If you wish to have your own room or apartment or already know who you want to share with, please contact the establishments yourself to make arrangements.

Finding a Roommate: If you would like to share a room or apartment below but do not have someone in mind, please contact **Morgan Groves** at 608-238-2577 or morgangroves@sbcglobal.net. All deposits, fees and rents must be paid by attendees, not Deer Park. Special arrangements on deposits can be made for those coming from outside the U.S.

Please help us in our search for a suitable replacement for the Princeton House. Let us know if you find satisfactory housing accommodations at rates more reasonable than those listed here!
